New variable rate U.S. Savings Bonds guarantee investment growth...

The employees at HONEYWELL keep their future plans on target when they rely on the Payroll Savings Plan.

Ray Wilkinson — "As an investor I seek return and security. When looking at other competitive forms of investments, such as money market funds, U.S. Savings Bonds performed better and were more secure."

Aggie Anderson — "Purchasing Savings Bonds is an excellent way of saving for emergencies or future retirement. I like the fact that the interest is not taxable until the bonds are cashed."

Kathryn Mao — "I buy U.S. Savings Bonds to support our government and to save for my kids' college education."
